

Optimizing Your Communication

Hands-on course of 3 days - 21h

Ref.: COM - Price 2025: 2 010 (excl. taxes)

Effective communication skills are the foundation for mutually satisfying interpersonal relationships in personal and professional life. At work the ability to communicate with clients and colleagues is essential to successful outcomes. From this workshop, participants will gain a better understanding of the communication process and have the opportunity to practice the skills necessary for communicating clearly; effective listening, responding, questioning, clarifying and assertiveness.

EDUCATIONAL OBJECTIVES

At the end of the training, the trainee will be able to:

Adapt your communication to the other person's profile

Develop assertive behavior in your interpersonal relations

Strengthen your persuasion skills to give impact to your ideas

Express yourself with ease in different types of interventions

Overcoming stalemates

Numerous exercises and role-playing with individualized analysis.
Behavioral scenarios.

THE PROGRAMME

last updated: 08/2024

1) Knowing the basic principles of communication

- Basic rules and diagram of communication: Sender, message, receiver, interference.
- Saying isn't communicating. Keys to effective communication.

Exercise : Self-assessment: Understanding your personal communicator profile. Determining your level of self-confidence using a questionnaire. Feedback.

3) Developing assertive behavior

- Defining your role and specifying your mission in its environment: Legitimacy, credibility; recognition.
- Learning to make constructive criticism.
- Accepting criticism.
- Replacing fleeing, aggressive, or manipulative behavior with self-affirmation.

PARTICIPANTS

People who want to improve their communication skills and get more from their business relationships with customers, suppliers and colleagues.

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more. Participants also complete a placement test before and after the course to measure the skills they've developed.

TEACHING AIDS AND TECHNICAL RESOURCES

- The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
- At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
- A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

TERMS AND DEADLINES

Registration must be completed 24 hours before the start of the training.
