EDUCATIONAL OBJECTIVES

At the end of the training, the trainee will be able to:

- Understand the Scrum framework.
- Understand the role of the product owner
- Be able to plan what you'll do in an agile project as a Product Owner
- Prepare for and take the Scrum League™ "icPO" exam
- What the Product Owner does

TEACHING METHODS

Lecture and participation with verification that understanding is being attained over time through workshops.

Preparation for the certification exam using multiple-choice questions and mock exams with answers. Exam in French.

CERTIFICATION

This course prepares participants to take the Scrum League™ "icPO" Product Owner certification. The exam, in French, is included and taken at the end of the course. It consists of 50 multiple-choice questions, answered in 50 minutes. Getting 85% correct is required to pass.

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more. Participants also complete a placement test before and after the course to measure the skills they've developed.

TEACHING AIDS AND TECHNICAL RESOURCES

- The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
- At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
- A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

TERMS AND DEADLINES

Registration must be completed 24 hours before the start of the training.
